Events

Upcoming Events

Karel is investigating holding a Crusader vs. Saracen feast – very TBA at the moment.

Margaret is interested in holding a Bob's & Kate's revel.

Again TBA however for those of you who go "huh?", at this everyone is expected to cross dress. Of course under SCA rules we cannot tell you what to wear but <evil grin>, you will feel much better if you do.

From the Seneschal:

Peoples,

The Wednesday night meetings have been poorly attended lately and a plan has been devised to rekindle interest. Rather than a meeting every Wednesday there will be one Wednesday meeting on the fourth Wednesday of the month. This will be held at St Monica's and there will be a 1 gold tithe per family to cover the cost of hiring the room. Of course there will be no charge for St Monicans.

There will also be a fighting/ social day held on the second Saturday of each month, hosted by Gwynfor and Gwir. This will run from 1pm until 5pm, with fighting "stuff" outside and other "stuff" inside.

Friday nights will continue as usual as they are a St Monica's event.

There was some protest about decreasing the number of meetings, but I would like to remind everyone that ANYONE, once they have my approval can hold a meeting at their place for any reason they wish. Just get the paperwork signed first and I will be happy.

Other news from the Officers' meeting:

Reeve: We currently have over \$2000 in the bank. (Yah!)

Michelle will be stepping down, as Reeve and Cathy will be taking her place.

My thanks go out to Michelle for performing such a sterling job. (Oh, money pun!!)

Open Officer Position: A&S is open and available to anyone who wants it.

Baron Karel of the Three Isles

(Still) Seneschal - Shire of Krae Glas

From the Chronicler:

Hello and greetings Good Gentles!

Well there have been some major changes to our group recently which is now recorded for you, in the above report. In the future it was decided that minutes like these would now be placed onto the Blue Strand so that everyone was aware and received this information. For those of you who get this blue strand that know of someone who wanted it but didn't get it can you forward me a message and let me know? I have been trying to iron out the bugs but there are still some blighters running around. lol If you know of any events that need to be in the blue strand then please let me know. Or if there is something you want that we do not currently do let me know as well. This is about the people of Krae Glas being informed.

My apologies to those who have been missing out.

Yis
