## GALLERY AND HISTORY

### Event Report

January Twilight Tourney made a profit of \$41, in spite of somewhat challenging weather. It was generally agreed that fighting off-hand is "weird and wrong". Next in the series will be Feb 17th, with Holmgang tourney and Highland Games.

## VICTORIAN WEAPONS ACT

### HOME

### Reeve

money in - \$130 profit made over twilight tourneys so far money out - hall booking fee for Guild Ascension Day.

These are the pages of the Shire of Krae Glas, in the Kingdom of Lochac, a branch of the Society for Creative Anachronism. These are not official pages of the SCA, or the SCAA (Inc), and do not delineate official policy of these bodies.

### Web Minister

Yet more new pictures on website, including Tiffany's from Festival, and more to come including Inter-College War.

Changes to Victorian legislation that should be noted by SCA members Note that the various Victorian legislation concerning prohibited weaponry (Control of Weapons Regulations 2004, Control of Weapons Act 2000, Firearms Act 1996) has been amended, and now covers swords (rattan and rebated metal), polearms and maces.

Financial SCA members are exempted in some circumstances. Note that daggers are \*not\* included in the exemption.

Official exemption to the customs regulations prohibiting armour importation is also in the pipeline.

Members can refer to December Pegasus for an official statement on this matter from OziBoD, and more details will be posted on the Krae Glas website.

### Festival

The Krae Glas campsite will have three tiers for camping this year.

Suggestion of 1 for families, one for Woodrose and communal cooking (including communal hot water and BBQ grill), 1 for the people who don't want to be next to the families.

MR to post to email list asking for attendees and their estimated camping footprints so PR can start playing mental Tetris.
