Officers Reports :

**VICTORIAN WEAPONS
ACT**

Reeve :

- (phoned in) no transactions since last meeting

HOME

Web :

- *Web pages* - More stuff on the pages –everybody should look! One thing missing is a good picture of the library display.
- *Email list and Calendar* - Still waiting for a good time to move to google. Need to streamline use of rss feeds for calendar – Paul has offered to do this but needs to be arranged. It would be good if officers could edit the reminders of meetings.

Marshall :

- Roland, Lillian and Everard are now authorised as archery marshalls, which makes ensuring there's an archery marshall at Friday nights easier.
- Corin, Bridget, Jess, and Cate all want to qualify as rapier marshals, which will similarly aid rapier.
- Rowan has been bringing targets, and we are getting 4-7 people at each activity.
- No progress on looking for an indoor venue. It was suggested that looking for "dry" halls would mean we wouldn't be competing with parties.

A&S:

- Useful things to have on Wednesday nights after meeting: 'show and tell', debate. Tiff will advertise.

Seneschal :

- (after reminder by Peter) reminds everyone to check their warrant/roster dates.

Upcoming Events :

Tournament of Ivy and Burgundian Feast , 4th August

Miles needs kitchen hands and serving platters.

Boutique Feast series

Planning continues. Getting volunteer cooks is not a problem.
