Other business			
New site?	Possibly not as soon as first thought. Need to negotiate with next tenants. Couple of new options still, Option1, hall about this size, smaller and echoey, full of equipment. No storage inside building		

	Option 2, noble park building not in use, no access to inside yet, council has no idea about it yet, Airdin will enquire more about it. Hasn't been in use for a couple of years, will need some maintenance. Possible to have permanent list field, capable of holding events. Still need to inspect inside. 500m walk from station. Tied in with scouts currently, but may be going back to council. Could be possible that space may be usable by our own? Possibility of holding events to offset costs? More details needed. Grants available?
