June is an excellent reminder that winter in Krae Glas does not mean a lack of activities!

Our Fighter Training + Arts & Sciences gatherings will be held every Thursday as usual from 7pm on the 6th, 13th, 20th & 27th. Join us for heavy fighting, rapier fighting, socialising, casual arts & sciences, or a combination of the above!

At Crafhall on the 8th, Baroness Margie will be teaching us how to make shoes! As this class is a little more intensive than our usual offerings, it will be split into two parts: Part 1 (Patterning Your Shoes) in June & Part 2 (Making Your Shoes) in July.

Supplies needed for the patterning class:

- \* Old sock (will be destroyed in the process)
- \* Duct tape
- \* Scissors
- \* Sharpie/equivalent
- \* Paper or card for tracing pattern.

We'll do our best to have spares of most of these items, but you will need to BYO sock! 🧦

Shoe leather will be needed for part 2 - we will be organising a group order of this during the first class that you can join, or you can bring your own.

Also at Craffhall is the monthly council meeting, which we have moved back to 3pm, just to keep you on your toes! We will be experimenting with which time works better for a while, so we'd love your feedback! Craffhall opens at 12, so class will start shortly after that.

Bordescros have extended an invitation for Krae Glas & Stormhold to attend their Southern Invasion event in Wodonga on the 15th! There will be A&S (with a focus on heraldry & pageantry), both rapier & heavy fighting, stories & songs (especially of victory & defeat) around a fire & a feast (mixed catered & pot luck)! Accommodation & train shuttles are available for wayfarers upon request.

Finally, on the 29th Stormhold is hosting Winterfeast! In addition to, well, a feast, they will be holding their A&S championship, there will also be heavy & rapier tournaments, games & competitions for pageantry & table dressing!

We would also like to make special mention of some people who, despite not competing for any championships, deserve our thanks & praise:

👑 Mistress Elspeth was awarded Order of The Starling - our highest Baronial award! The feast she prepared together with Roisin Cinnsealach and Emma de Lastone has been described as "splendid and copious"!

🗡️ Sir Lankin was overall victor by prowess in the heavy tourney.

👩‍🍳 Newcomer Mary Anne who was at her first SCA event and already helping in the kitchen!
