Our ongoing quest to make Crafhall as fun as possible continues in July with some major changes!

In the past we have played with moving the council meeting from the end of Crafhall to the start & back again & now we are removing it from Crafhall entirely! Council meetings will be held via zoom at 7:30pm on the Tuesday after Crafhall (the 16th of this month) until further notice. As always, our council meetings are open to everyone & the zoom meeting link & login details will be shared publicly a few days beforehand.

Additionally, we are changing the time of Crafhall! The new hours of 2pm - 7pm start on Saturday the 13th &, as mentioned a couple of weeks ago, this month we are celebrating our

new kitchen with a community potluck from 5pm! This is an ungarbed event & is included in the usual Craffhall fee.

With all the changes going on at Craffhall, we can't neglect to mention Part 2 of our Shoemaking class: "Sewing Your Shoe"! We would like to take this time to remind you that if you haven't already, you will need to sew your mockup shoe (the one we patterned last Craffhall) *before* this class. Baroness Margie would love for you to check in & let her know how the shoes are coming along - preferably with photos - so she knows what needs to be done to help make your shoes perfect! Facebook is easiest for Baroness Margie to see, but if Instagram or Discord are easier for you we can pass the messages on as long as you tag us.

Not to be outdone, Combat Archery Training (held at Noble Park Secondary college from 1-4pm on the 21st) is making some changes as well! From this month onwards, as well as our usual activities of shooting at a variety of targets (including live ones), combat archery & war training, we will also be offering **HEAVY FIGHTER TRAINING!** What heavy fighter doesn't want a bonus training day?

Not everything is changing this month! As always, we have our regular Thursday Fighter Training + A&S Gathering from 7pm on the 4th, 11th, 18th, & 25th!

High Tide Challenge, 17th - 19th of May A.S. LIX

Recently, after much begging & pleading to fill out their ranks, some members of our Barony were convinced to go to Stormhold's aid regarding a border dispute with Ynys Fawr.

There were many contests, both martial & otherwise, much debate about the specific placement of the border & a feast to celebrate the end of the negotiations. The feast was enjoyed by all, with tales of the spectacular Raspberry Fool enduring long after the end of the event.

The sandcastle competition was a particular highlight among our emissaries, who reported that Krae Glas created a truly spectacular Iron Age fortress entirely out of sand! Although the outcome was disappointing, Stormhold assures us that the judging was entirely impartial & it was merely a coincidence that the only Barony not to be represented in the team of judges was also the one to be ranked last.

Many thanks to 無名 for these stunning photos.
